

## **Russian Foundation for Basic Research**

Please refer to RFBR national call to be published after November 1, 2019 at [https://www.rfbr.ru/rffi/ru/contest/n\\_812/o\\_2097829](https://www.rfbr.ru/rffi/ru/contest/n_812/o_2097829)

**The following call topics of the single joint call are supported by RFBR:**

All topics of the ERA.Net RUS PLUS 2019 Call are supported.

### **Who can apply?**

A team from 2 to 10 people consisting of Russian citizens or foreign citizens holding Russian tax resident status. Each team member must complete identification confirmation according to RFBR regulations via KIAS RFBR (see paragraph 2 of RFBR national call announcement for more details). The coordinator of Russian research team should not be the coordinator of other ongoing international projects currently funded by RFBR.

Despite Russian researchers can present themselves in a project proposal submitted via PT-Outline to ERA.Net RUS JCS as a multiple private investigators from different institutions, they will be treated by RFBR as one team only. In case the project will be among selected for funding, RFBR grant award will be managed within one project through only one Russian legal entity (please refer to national call announcement for more details).

### **Additional national eligibility criteria for the proposal beyond the general criteria in the Terms of Reference of the single joint call**

Russian research teams must submit additional Russian national application via KIAS RFBR before 10.02.2020 enclosing the PDF copy of proposal application submitted to ERA.Net RUS JCS. The research teams that do not submit application to RFBR will be considered as non-eligible.

RFBR will check compliance of Russian national applications with the national call requirements.

### **Duration of project**

RFBR supports 2 or 3 year duration projects.

### **What types of costs are eligible for funding?**

Please use link below for detailed eligible costs list (paragraph 7.4.):

[https://www.rfbr.ru/rffi/ru/contest/n\\_812/o\\_2097829](https://www.rfbr.ru/rffi/ru/contest/n_812/o_2097829)

### **Upper funding limits for eligible costs?**

The total funding volume for each project will be the subject of annual review, however an amount between 3 to 4 mln. RUB per year may be anticipated.

### **Any other information relevant to the single joint call**

Please visit national call page at [https://www.rfbr.ru/rffi/ru/contest/n\\_812/o\\_2097829](https://www.rfbr.ru/rffi/ru/contest/n_812/o_2097829) for detailed information on modalities of participation and secure reasonable time for preparation and submission of Russian national application via KIAS RFBR.
