

RUSSIAN FEDERATION

Ural Branch of the Russian Academy of Sciences (UBRAS)

Applicants will be advised to check with the respective national Contact Point the eligibility as to who may apply and what costs are eligible before submitting the complete application.

Who can apply?

Research proposals may be submitted by scientific organizations that are under scientific supervision of Ural Branch of RAS.

What types of costs are eligible for funding?

I. Eligible costs as direct costs

a. Costs of personnel

Grants towards the costs of scientific staff, administrators and/or post-graduate student assistants, required in connection with the proposed project can be provided.

b. Costs of durable equipment

Funding for low-cost equipment can be provided.

c. Consumables and supplies

Any consumables necessary for the implementation of the project, including consumables belonging to the basic facilities, may be considered as direct eligible costs. Consumables are only eligible costs under the project if bought after the start date of the project.

d. Subcontracting

The general rule should be that applicants shall implement the project and shall have the necessary resources to that end. However, it should be accepted that as an exception certain parts that are not "core" parts of the project may be subcontracted. Examples for minor services to be subcontracted are rent of locations, translation costs, costs for technical equipment in the context of the organization of events or printing services etc.

e. Other costs:

Events

Funding can be provided for the organization of workshops in Russia. Grants can be provided towards expenses such as the accommodation of the guests, transfers within Russia and rental of the venue. Once the accommodation and meals for the guests are covered, no additional per diem allowances will be provided.

Travel

As a general rule, travel costs (economy class) to Program Owner's countries and within Russia are eligible.

Subsistence allowance

The subsistence allowance per day including accommodation costs and meals in the context of

the business trips should be applied in accordance with the budget rules of Russian Federation.

II. Indirect Costs: Overheads

Overhead costs are eligible within the limit of 20% of total project funding.

Additional national eligibility criteria for the proposal beyond the general criteria in the Terms of Reference of the Joint Call

All the proposals submitted to SJC that have the UB RAS as a FP must be reviewed and preliminary approved by the Expert Council of UB RAS. The approval sheet is to be attached to the submitted proposal and could be considered by the S&T Council.

Upper funding limit

Upper funding limit should be 100% of the eligible costs.
Russian applicants in joint research consortia can receive up to €25,000 of funding per project.

Applicants whose full proposals have been evaluated positively will be invited to submit – in coordination with the designated project coordinator – a formal application for funding on which a decision will be taken after a final evaluation.
